

Ferndale Band Boosters

February 6, 2020

Start time: 6:30 pm

Attendance: Michelle Jones, Katie Little, Tricia Bravener, Jennifer Petersen, Wendy Bennett, Holly McClellan-Tedrow, Ashleigh Slocomb, and Steve Meneffee

Reading of the minutes: Wendy approved, Tricia second.

Director reports: We have 2 kids that are seconds for state solo. We are in the midst of My Fair Lady rehearsal. It is mostly band kids with 3 orchestra members and they are doing great. We have a concert coming in march.

Treasurer Report: We switched banks to WECU. The Boosters taxes are done and Wendy did the annual report that keeps us nonprofit. New shakos have been paid for. Stacia Scott donated 500 to the band, she works for Microsoft and they matched the donation. We should be getting a check from the Whatcom foundation soon. They usually send about \$5000. Jennifer will get some thank you cards made to send out for the donations.

Committees:

Uniforms: we are taking the light off the shakos during this meeting. We are having to clean them because they were put away wet. Inventory is done and we are ready to log in new stuff. We do not have to do fittings before the next concert.

Volunteer: The guard will be running the bake sale at the band gala. We had trouble getting volunteers to drive the guard to the evaluation. It ended up working out because it was canceled due to weather. We can contact the parents to let them know that they can volunteer to drive or we can rent a van to take them down. The guard would be responsible for the cost. If they don't pay it would be a fine with the school. Steve will look into options with the school district. The next competition is in 2 weeks

Communication: Nothing to report at this time.

Uniforms: Will be in on the 19th to remove the rest of the light lights.

Sponsorship: Getting thank you cards for private donations

Fundraising: Haven't hears from Mod on what we have made. We are in talks with Coconut Kenny's. Will be contacting Buffalo Wild Wings to set something up.

Old business: Disney is coming!

New Business: Coupon Books, Wendy will have them on March 1. If anyone wants any, contact Wendy by emailing the band and Wendy will work it out getting them to parent or kids

The lights from the shakos are not worth salvaging from using the glue strip. We will store the lights from the arms in totes.

Ashley will be sending in the guard uniforms at the end of their season to be resold.

Next is Thursday March 5th at 6:30 in the band room

End: 6:56
